

Some of the ways OJSL gives back to the community include:

Scholarships for 3 Olathe high school seniors

Providing snacks for Olathe Hospice House

Clothing Closet at Santa Fe Trail

Olathe District Schools Homeless Outreach

Salvation Army Bell Ringing

Prom for students with special needs

Monthly BINGO at senior living centers

Monthly service at Starfish Project

Community grants

We are a very busy group of ladies with big hearts, creating lasting friendships and fond memories, while giving of ourselves to better our community.

OJSL was formed in 1969 by 17 area women to help raise funds to payoff the debt of Olathe Community Hospital (now the Olathe Medical Center). Since then, this group has taken on many projects to help better the Olathe community.

Giving Back

Friendships

Personal Growth

Since 1969, the Olathe Junior Service League members have devoted themselves to the shaping and development of Olathe through community service projects in need of volunteers, supplies, and financial assistance.
